

NIGERIAN MINING AND GEOSCIENCES SOCIETY (NMGS)

Vision

To organize and conduct an excellent NMGS International Conference/AGM with a view to sensitize and create the much needed awareness among members and the general public on the need to fully harness and develop abundant energy and mineral resources in a sustainable manner for national development.

Mission Statement

The Local Organizing Committee of the 46th Annual International Conference of the Nigerian Mining and Geosciences Society (NMGS) "Calabar 2010" shall affirm the rights of Geoscientists and Mining Engineers in Nigeria and pledge to abide by International Geoscientific and Mining best practice and standards without discrimination on the basis of citizenship, religious persuasion, creed, political affiliation, ethnic origin, race, colour, language, age or sex.

THEME

SUSTAINABLE GROWTH THROUGH ENERGY AND MINERAL RESOURCES EXPLOITATION.

SUB-THEMES

1. Geosites and mineral resources in the promotion of tourism in Nigeria.
2. Strategic mineral resources development and the quest for nuclear energy in Nigeria.
3. Women and child labour in the mining and processing of economic minerals.
4. Appraising the current impact of local contents in the oil and gas industry of Nigeria.
5. Environmental effects of the energy and mineral resources development in Nigeria.

Sponsorship

The 46th Nigerian Mining and Geosciences Society (NMGS) Annual International Conference/Annual General Meeting will be held in Calabar, from 14th to 19th March, 2010 under the sponsorship of the Nigerian Mining and Geosciences Society (NMGS), Oil and Mineral Resources Organizations, relevant Federal and State Government Ministries and Private Sector Agencies as well as other well meaning individuals associated with the profession.

Scheduled Programme of Event

Date	Events	Time
Sun: 14 th March, 2010	Visitation by Council Members Arrival and Registration Reception Cocktail Party	2.00pm 7.00pm
Mon: 15 th March, 2010	Registration continues/Panel Discussion AGM/NMGS Students Educative Lecture Series Specialist Group Meetings Fellows and Institutional Members Night	10.00am 2.00pm 5.00pm 8.00pm
Tue: 16 th March, 2010	Opening Ceremony Opening of Exhibitions Plenary and Technical Sessions Spouses Programme Admissions and Awards Ceremony	10.00am 1.30pm 7.00p.m
Wed: 17 th March, 2010	Technical Sessions (Students) Spouses Programme Tourist Excursions Gala Night	8.00am 8.00pm
Thurs: 18 th March, 2010	Plenary and Technical Sessions Closing Ceremony/Variety Night	9.00am 8.00pm
Fri: 19 th March, 2010	Field Trips/Excursions	Departing - 8.00am
Sat: 20 th March, 2010	Departure	

NIGERIAN MINING AND GEOSCIENCES SOCIETY (NMGS)

General Information

In 1977, The Nigerian Mining and Geosciences Society (NMGS) succeeded the Nigerian Mining, Geological and Metallurgical Society (NMGMS) which was founded on 15th January, 1961 and officially inaugurated on 17th December, 1962. The Society is an international, non-governmental and non-profit making professional organization.

Its Objectives include:

- Advancement and practice of Mining, Earth Sciences and Metallurgy;
 - Acquisition, preservation and dissemination of mining, geoscientific and metallurgical knowledge;
 - Publication of an interdisciplinary learned Journal of Mining and Geology (JMG), the CRUST, periodicals and specialized books including annual books of abstracts and programmes of the society's Conferences and activities;
- and
- Upholding the ethics and safeguarding the interests of the professions covered by the society.

The Society also has statutory representation on the Council of the Nigerian Mining Engineers and Geoscientists (COMEG) established by the Federal Republic of Nigeria Decree No. 40 of 1990. The categories of membership are Fellow, Corporate, Graduate, Students, Affiliate, Institutional and Honorary Fellow. The current membership strength of over 5,000 includes Nigerian and foreign professionals and practitioners working or who have worked within the country.

In order to adequately cater for the interests of the various disciplines represented in the Society and its widely dispersed membership, the Society recognizes Local Chapters and Specialist Groups whose activities are directed at strengthening the NMGS in achieving its objectives.

Each Chapter comprises members of NMGS of all disciplines residing and practicing within a defined geographic area while the Specialist Groups consist of NMGS members of the same discipline who meet to advance and promote knowledge within such a discipline.

Mining and Geoscientific activities of the Chapter are enhanced by the presence of a good number of universities and polytechnics that offer academic programmes in mining engineering and geosciences concerns located in the area.

NIGERIAN MINING AND GEOSCIENCES SOCIETY (NMGS)

Invitation

The Local Organizing Committee (LOC) of the 46th Annual Conference/Annual General Meeting of the Nigerian Mining and Geosciences Society (NMGS) on behalf of the Calabar Chapter of the Society, NMGS Council in collaboration with the Ministry of Mines and Steel Development, Nigerian Geological Survey Agency, other relevant Government Ministries and Private Sector Agencies has the honour and privilege of announcing and inviting you to participate in:

- a. The 46th Annual International Conference of the Nigerian Mining and Geosciences Society (NMGS) from 14th – 19th March, 2010; and
- b. The Annual General Meeting (AGM) session on 15th March, 2010 holding at Monty Suites, Calabar.

The Conference theme is: ***SUSTAINABLE GROWTH THROUGH ENERGY AND MINERAL RESOURCES EXPLOITATION.***

PRE-CONFERENCE PANEL DISCUSSION: “*SUSTAINABLE GROWTH THROUGH ENERGY AND MINERAL RESOURCES EXPLOITATION.*”

Participation

All members and non-members wishing to participate in the 46th Annual International Conference tagged “Calabar 2010” should indicate their intention by completing the attached participation form and returning same directly to the LOC Secretary, Dr. E. E. Ukwang at the address provided below not later than 20th February, 2010.

Dr. E. E. Ukwang

NIGERIAN MINING AND GEOSCIENCES SOCIETY (NMGS)

Technical Sessions

The Technical events of the Conference will start with the plenary session dwelling on the theme of the Conference “**Sustainable growth through energy and mineral resources exploitation**”. Discussion will comprise of invited guest speakers from relevant fields with cognate experience who have made significant impact in their careers. This will be followed briefly by oral and poster presentations. Those interested in presenting scientific papers during the “**Calabar 2010**” Conference are kindly requested to submit abstracts, which should conform to the following guidelines:

- a. Should not exceed 250 words.
- b. Should contain title, name(s), contact address, e-mail and postal addresses and the essence of work done, as well as results and conclusions.

Such papers should be centered around the Conference theme and sub-themes with emphasis on the following sections:

- Mineralogy, Petrology and Geochemistry.
- Sedimentary Geology, Stratigraphy and Paleontology.
- Hydrogeology, Engineering and Environmental Geology.
- Nigerian Hydrocarbon potentials.
- Occurrence and Distribution of solid minerals in Nigeria.

Note: Oral presentations will be in MS Power Point and presenters are expected to arrange their points appropriately in USB flash. Accepted abstracts will be published in the Book of Abstracts for the Conference. Authors of successful abstracts will be required to send three hard copies of their papers and a soft copy addressed to Prof. A. E. Edet, Chairman, Technical Sub-Committee, Department of Geology, University of Calabar, Calabar **Tel: 08036667216, E-mail – edetaniekan25@yahoo.com. not later than 20th February, 2010.** Authors of accepted abstracts will be reached on phone or through their E-mail addresses as soon as the review is completed.

Authors of accepted abstracts are required to submit the full text of their papers **on or before 20th February, 2010** for consideration of the **NMGS/ ELF/TOTAL Award**. They will be duly informed on the schedule of their presentation. **The Council (NMGS) has directed that persons whose abstracts have been accepted must ensure that their papers are presented or they would face possible sanctions for failure to do so.**

Enquires on Technical Sessions should be forwarded to **Prof. Aniekan Edet**, Chairman, Technical Sub-Committee, c/o Department of Geology, University of Calabar, Calabar.

Deadlines

- | | | | |
|------|---------------------|---|--|
| i. | 31st December, 2009 | - | Submission of abstract |
| ii. | 20th February, 2010 | - | Return of participation forms |
| iii. | 20th February, 2010 | - | Submission of Full papers for
NMGS/TOTAL Award Consideration |

NIGERIAN MINING AND GEOSCIENCES SOCIETY (NMGS)

Registration

Registration fees for the different categories of participants are as follows:

Fellows/Corporate Members	₦5,000.00
Non-members	₦7,500.00
Spouses	₦3,000.00
Students	₦1,000.00
Foreigners	\$200

The above stated fees cover the conference proceedings, cocktail, Award and Gala Nights. Participants will be accredited and badges issued to them after the full payment of registration fees. Such badges should be worn at all times at the conference venue. **Participants who fail to put on their badges may be prevented from gaining access to any of the conference activities by security agents.**

Exhibition

There will be provision for exhibition of Geoscientific and Mining equipment as well as other relevant materials; utilities, services, products and publications. Indeed, it is a golden opportunity to highlight your company's profile, goods and services to further advance your promotional marketing efforts. Exhibition booths are in the following three categories.

S/No	SPACE PER SQUARE METRE	PRICE
1.	1.5m x 1.5m	₦40,000.00
2.	2.0m x 2.0m	₦60,000.00
3.	2.5m x 2.5m	₦80,000.00

To ensure allocation of spaces, payment must reach the Exhibition Sub-Committee on or before 20th February, 2010. All payment must be in Bank Draft or Certified Cheque drawn in favour of LOC NMGS Calabar 2010. For further details contact: LOC Secretary "Calabar 2010".

e-mail:

nmgscalabar@yahoo.com

Excursion

The LOC “**Calabar 2010**” will take participants through an action packed, extremely exciting, highly technical and scientific excursion. The locations selected will provide exciting tour within and outside Calabar City. The trip is expected to take participants through locations of geological, geomorphological, historical and social interests.

The field excursion is being planned to commence on Friday, 19th March, 2010 at 8.00am. Participants will be required to pay ₦1,000.00 to cover cost of snacks, lunch pack and drinks during the trip.

Spouses Programame

“**Calabar 2010**” is providing a fascinating programme of activities for accompanying spouses during the conference. Calabar offers very beautiful and appealing atmosphere and sites for relaxation. There are several areas of tourist attraction within and outside the town. The LOC is also arranging as part of the spouses programme courtesy visits to the wives of the Cross River and Akwa Ibom State Governors, Her Excellency Lady Obioma Imoke and Her Excellency Ekaette Unoma Akpabio respectively. All participants are encouraged to come with their spouses to the conference. It will surely be a refreshing and memorable occasion. Visits to Tinapa, the slave museum and the residence of His Eminence, the Obong of Calabar at a vantage point by the Calabar River, parts of the package.

Students

Students should be aware that “**Calabar 2010**” affords them the opportunities for individual paper presentation and interactions with senior colleagues from government, academia and industry. Paper presentation by students has been scheduled for Wednesday 17th March, 2010 in the afternoon. This will afford employers of geoscience graduates the opportunity for talent hunt. There is the new students lecture series. Students will receive lectures on important topics of general interest on Tuesday, 16th and Wednesday 17th March, 2010.

Hotel Accommodation in Calabar

Calabar, also referred to as Canaan City is a well planned and modernized city that provides unique environments for the numerous visitors she receives. Calabar is a tourists destination with such attractive tourist centers as Tinapa Business Resort, Marina Resort and the Slave Museum. Calabar has many excellent hotels of different categories ranging from Monty Suites, which has excellent and comfortable rooms for guests, to a lot of other good hotels within and around the city that offer moderate charges to meet the various demands of participants.

For your accommodation, a list of suitable hotels, their locations, phone numbers and tariffs is herein provided as shown on pages 13 – 16.

NIGERIAN MINING AND GEOSCIENCES SOCIETY (NMGS)

INVITATION TO ADVERTISE IN THE 2ND CIRCULAR AND BOOK OF ABSTRACT.

The Local Organizing Committee (LOC) hereby invites all to advertise their companies, businesses, services and products in the 2nd Circular and Book of Abstracts.

The advertisement rates are as follows:

Coloured	(₦)
Inside front cover	200,000.00
Back cover full size	200,000.00
Inside back cover	200,000.00
Centre spread	100,000.00
Full page	50,000.00
Half page	30,000.00
Quarter page	20,000.00
Earpiece (1/8 page)	10,000.00

Requests for advertisement could be sent in certified cheques/bank drafts payable to **NMGS Calabar 2010 LOC** and addressed to the Secretary of the LOC.

Transportation and Logistics

The venue of the Conference, **MONTY SUITES** Calabar, is accessible by public transport from all parts of Calabar; facilities for communication will be available. It should be noted that Calabar has an airport and is also accessible by road from all parts of the country. It is planned that transportation will be provided for conveying participants from the airport and other parts of the town to the venue of the Conference only on the first day of the Conference.

Chapters and Specialist Groups

Chapters and Specialist Groups within the Nigerian Mining and Geosciences Society should make individual arrangements for their meetings. Timing of such meetings should be fixed so that they do not coincide with major conference activities.

Modes of Payment

Payment of registration fees for resident members and non-member delegates can be made by certified bank cheques/bank drafts payable to NMGS Calabar 2010, LOC or by cash/cheques from Corporate Bodies covering the block registration fees for members from such bodies. Personal cheques other than those specified above are not acceptable. Cash can be paid at the conference venue. Please insist on receipts after each payment.

Block registration from Corporate Bodies should be made by sending a list of names and corresponding registration fees to the Secretary, NMGS Calabar 2010 LOC.

Contacts
